Understanding WPS – Qatar's new online salary system Qatar is all set to launch the much-awaited Wage Protection System (WPS) whereby all private sector workers will be paid salaries online through banking channels.. Here is step-by-step guide on how the system works :Step 1 : Open bank accounts for all employees Qatar Central Bank has issued circulars to all banks and financial institutions in the country to open accounts for workers who have valid ID card.. Delays will be punished and a reconciliation would be possible only if a complainant (worker) takes his complaint of delayed payment back.
